Our basic service is also offered via delivery! We will listen to what your family wants, source the best ingredients, cook healthy dinners, and allow you simply enjoy time with your family around the dinner table. Some clients prefer we bring the food into their home to leave in their kitchen, some ask the food be left in the garage fridge, while others prefer to leave a cooler outside for completely contactless delivery.

**Delivery Fee:** There is a \$15 per delivery fee to all homes inside the perimeter, above I-20.

**Delivery Outside the Perimeter:** We are currently using Roadie. Prices vary by location, please call to get an estimate. Disposable containers & bags will be charged at \$25/week.
