**Custom Service:** Our custom service is also offered as a pickup or delivery service! We will listen to what your family wants, source the best ingredients, cook healthy dinners, and allow you simply enjoy time with your family around the dinner table. Pick up is available from our licensed commercial kitchen in Doraville, or we can deliver directly to your home. **Service Day Includes:** Two customized chef prepared entrees (containing a protein, starch and vegetable) and one salad or appetizer with detailed labeling and instructions for reheating the food.

**Pick Up:** Pick up is available from Prep Atl (3795 Presidential Dr., Atlanta, GA 30340) between the hours of 1:30-2:30pm

**Delivery Fee:** There is a \$15 per delivery fee to all homes inside the perimeter, above I-20.

**Delivery Outside the Perimeter:** We are currently using Roadie. Prices vary by location, please call to get an estimate. Disposable containers & bags will be charged at \$25/week.
